

Farm to School and Early Childhood Action Planning Template

Team Name:

Date:

FTS Members Completing Action Planning Template:

Values Statement:

(See page 18 in [Connecting Classrooms, Cafeterias, Communities: A Guide to Building Integrated Farm to School Programs](#) to develop a draft values statement. Be sure to include more representation from your school or program, adjust and finalize the wording after feedback. The values should be used as a guide for your action planning now and in the future.)

Section I: Cafeteria/Food Program * review indicators in rubric to help inform your goals

Goals	Action Steps (WHAT needs to be done now?)	WHO is responsible? (lead person and group members)	Timeline (BY WHEN do things need to be done?)	Technical Assistance or Resources Needed

Long-term Ideas & Goals for Future Years:

Section II: Classroom * review indicators in rubric to help inform your goals

Goals	Action Steps (WHAT needs to be done now?)	WHO is responsible? (lead person and group members)	Timeline (BY WHEN do things need to be done?)	Technical Assistance or Resources Needed

Long-term Ideas & Goals for Future Years:

Section III: Community * review indicators in rubric to help inform your goals

Goals	Action Steps (WHAT needs to be done now?)	WHO is responsible? (lead person and group members)	Timeline (BY WHEN do things need to be done?)	Technical Assistance or Resources Needed

Long-term Ideas & Goals for Future Years:

Section IV: Integration and Staying Power * review indicators in rubric to help inform your goals

Goals	Action Steps (WHAT needs to be done now?)	WHO is responsible? (lead person and group members)	Timeline (BY WHEN do things need to be done?)	Technical Assistance or Resources Needed

Long-term Ideas & Goals for Future Years:
